Dr. Jitsuhiro Yamada

INTERNATIONAL PRESIDENT

Dr. Jitsuhiro Yamada, of Minokamo, Gifu, Japan, was elected to serve as president of Lions Clubs International at the association's 98th International Convention held in Honolulu, Hawaii, USA, June 26 through 30, 2015.

President Yamada is a neurosurgeon.

A member of the Minokamo Lions Club, President Yamada has been a Lion since 1985. He has held many offices in the association, including district governor and GLT constitutional area vice leader. He served on the international board from 2005 to 2007 as a member of the Executive Committee and the Long Range Planning Committee and Vice Chairperson of Convention Committee. He also served as a board appointee for 2011-2012.

In recognition of his service to the association, President Yamada has received numerous awards, including the Humanitarian Partner Award, 10 International President's Awards and an Ambassador of Good Will Award, the highest honor the association bestows upon its members. He is also a Progressive Melvin Jones Fellow.

In addition to his Lion activities, President Yamada is chairperson for several organizations including the Social Medical Corporation Koseikai, the Kizawa Memorial Hospital, the Social Welfare Corporation Jikeikai, Nozominooka Hospital and Ajisai Nursing College. He is a standing director of the Japan Hospital Association and an affiliate professor at Gifu University.

He is a recipient of the Order of Merit of the Republic of Hungary, the Medal of Honor of the Alaouite Dynasty of the Kingdom of Morocco and an honorary citizen of Beijing City, China, in recognition of his service to international friendship building.

President Yamada and his wife, Dr. Toshiko Yamada, also a Lion and a Progressive Melvin Jones Fellow, have one son, one daughter and three grandchildren.

Dear Lions,

For nearly a century, Lions from across the globe have joined together to serve humanity in their communities and around the world. As we enter the second year of our Centennial Celebration, we have much to look forward to as an association.

We will continue working toward our goal of benefitting 100 million people through our Centennial Service Challenge, which is strengthening our communities and bringing hope to those who need it most. We will continue to reward Lions and Lions clubs for growing their clubs through the Centennial Celebration Membership Awards.

We will also be sharing new Centennial resources throughout the year. From Touchstone Stories that celebrate the defining moments in Lions' history, to Centennial videos that bring our history to life, we'll provide the resources to help make our Centennial a moment for your club and community to remember.

As Lions we have a unique opportunity to help advance the dignity of mankind through service. I hope you'll join me over the coming year as we continue to celebrate the rich history of nearly 100 years of Lions Clubs International and look toward the next century of service.

Your International President,

Dr. Jitsuhiro Yamada

CENTENNIAL SERVICE AWARDS

For nearly 100 years, Lions have served their communities and impacted millions of people around the world. In celebration of our 100th anniversary, we are asking you to help reach our Centennial Service Challenge goal of serving 100 million people by June 30th, 2018. Your club can play a part in reaching our goal, and you can earn special Centennial recognition when you serve! Earn Special Centennial Recognition for Your Club and District Your club can earn a Centennial Banner Patch with a special gemstone design each year you sponsor a Centennial Service Challenge project impacting Youth, Vision, Hunger or the Environment.

- Each gemstone represents the number of different Centennial Service Challenge Campaigns that your club participates in during the fiscal year.
- The more campaigns you participate in, the more gemstones you can earn for your banner patch.
- Earn a diamond-level Centennial Banner Patch by participating in all four Centennial Service Challenge Campaigns!
- Districts can also earn a Centennial Banner Patch based on the participation of their clubs.

Your club can earn up to four Centennial Banner Patches by participating in each year of the Centennial Service Challenge.

Join the Challenge and Make a Difference Your club can earn special Centennial recognition and make a difference in your community by participating in our Centennial Service Challenge Campaigns throughout the year. You decide when to serve and which projects are right for your club!

Engaging Our Youth – Host service projects that help youth in your community, or inspire the next generation of volunteers by inviting Leos or local youth to serve on a project with you.

Sharing the Vision Give the gift of sight by planning projects that help children or neighbors who are blind or living with low vision.

Relieving the Hunger Build stronger families and communities by organizing a food drive or service projects to help feed the hungry.

Protecting Our Environment Plan projects that protect and improve the environment to make your community a better place for everyone.

REMEMBER(!) Your activities must be entered via MyLCI !
