**Screening may close early, subject to attendance. We cannot guarantee that all patients in line will be seen.*

** El examen puede cerrar temprano, sujeto a la asistencia. No podemos garantizar que todos los pacientes en línea serán vistos.*

This vision screening is not meant to replace a comprehensive eye examination and refraction that can be obtained through a doctor's office. This vision screening is designed to assess for ocular health concerns and provide a usable pair of recycled eyeglasses until professional services and ophthalmic materials are obtained.
