Just a reminder that we will be holding a Fall Work Day on Saturday, October 15th. There are lots of jobs around camp to get done before winter and/or get a head start on before next Spring. All are invited!

Here's a condensed list of some of the jobs by skill level:

Easy:

- Picking up branches
- Sweeping ramps & Steps
- Putting away outdoor furniture
- Discarding broken benches and other items
- Moving beds, mattresses, dressers

Medium:

- Repairing or replacing torn or missing screens in Cabins 8, 11, 19, 24/25, laundry room
- Trimming trees and bushes away from buildings
- Filling holes in ground and driveway
- Mowing (weather permitting)
- Painting (weather permitting)

Skill required:

- Repair/replace rotting boards on ramps and in cabins: 17, 18, 19
- Repair/replace steps in cabins: 1, 2, 3, 8, 20
- Repair doors that don't close/have gaps: most cabins
- Cut-up/ split wood from felled trees (chainsaw / ax work)

We'll provide a lunch of hot-dogs cooked over the campfire (weather permitting) with sides.

Please let me know if you can make it and if you will need a room in the Lakehouse for Friday and/or Saturday night. There are 4 rooms available.

Thank you,
