Engage your child with creative free printable Victorian Cursive Handwriting Worksheets. With this worksheets they should be able to learn and explore with less distractions, and more creativity! Get this Writing worksheets, 100% free I have developed a set of handwriting worksheets for use in Victorian schools using the Victorian Modern Cursive Script font. These worksheets are free to download and use to support your handwriting lessons. The intention of the worksheets is for students to trace the letters first following a teacher's directions on the correct formation of the letters and then the student attempting to write the letters independently on the dotted thirds lines. There is also a dotted thirds template that I have developed to assist teachers when presenting their handwriting lessons on a smart board. The templates are available in a SMART Notebook version and a Prowise Presenter version. Click on the link at the bottom of this post to download these templates.
