Share your opinion with other players - write a review or leave a comment! System Requirements OS: Windows 7/Windows 8/Windows 10 CPU: 1.6GHz RAM: 1024 MB DirectX: 9.0 The Bonfire 2 Mod APK v1.37.0.8 (Full Unlocked) Award-winning survival simulation game Build, Survive, Explore: Uncharted Shores MOD APK is an award-winning survival simulation game and the sequel to the hugely popular The Bonfire: Forsaken Lands. *Supported Languages: English, French, Vietnamese, Finnish, Spanish, Italian, Russian, German, Dutch, Portuguese, Chinese, Japanese, Korean, Thai 5th Rating Pocket Gamer Connects, 2020 - Winner Grand Indie Pitch #2 Mobile Edition Tokyo Game Show, 2019 - Indie Area Official Selection Gamescom, 2020 - Online Boo Arena Official Build your own city, manage resources and workers, each with a unique personality. Explore the procedurally generated world map with ships to find free cities to trade and mysterious dungeons to explore. However, do not forget to place buildings carefully, as the placement of these buildings can be crucial in the management of some resources and affect the gameplay. Above all, build a powerful settlement and obtain magical artifacts to defeat the ancient evil. Features of Bonfire 2: • BUILDING • The game allows you to build, craft and accumulate resources throughout the day. You have the freedom to design the layout of the city. But the placement of buildings can be critical and affect your settlement result. • SURVIVE • When night falls, defend your village against random monsters like wolves, chupacabras, spiders and tribal enemies. • EXPLORE • A randomly generated world map is waiting for you to explore with your ships. Discover new cities to trade with or randomly encounter for loot. • PROCEDURE PERSONS • Each villager is unique. Each has stats like strength, agility, intelligence, and personalizes skills and attributes. • CHARACTER DEVELOPMENT • You can level up and build each villager as you wish, just like in most RPGs. Additionally, players will be able to craft weapons and armor and equip their units with them. The sequel to the award-winning The Bonfire: Forsaken Lands, The Bonfire: Uncharted Shores expands on all aspects of the original and provides greater depth. Build your own city, manage resource chains and workers with unique personalities, explore the procedurally generated world map on ships, trade with free cities and explore mysterious dungeons. Build a mighty city and obtain magical artifacts to defeat an ancient evil. NEW 1. Improved ad loading, added status text if there is a problem. 2. Fixed a bug that caused the carpenter to stop making spears 3. Still working on additional content. We ask for your understanding these are hard times. About The Bonfire 2: Uncharted Shores is an award-winning survival simulation game that is the sequel to the popular game The Bonfire: Forsaken Lands. *Supported languages: English, French, Vietnamese, Finnish, Spanish, Italian, Russian, German, Dutch, Portuguese, Chinese, Japanese, Korean, Thai Awards won: • Best New Strategy Game of the Year 2020 for Pocket Gamer • Pocket Gamer Gold Award 2020 - Rated 4.5/5 • Pocket Gamer Connects 2020 - Winner of Great Indie Pitch #2 for Mobile Edition • Tokyo Game Show 2019 - Official Selection of India Gaming Area • Gamescom 2020 - Official Theme of India Booth Arena Online Manage your resources and employees in the city, each with a unique personality. Explore the procedurally generated world map with ships to find free cities to trade and mysterious dungeons to explore. However, be sure to place your buildings carefully, as the placement of these buildings can be very important in managing certain resources and can affect the game. The most important thing is to build a strong settlement and obtain magical artifacts to defeat the ancient evil. Game Features: The • BUILD • game allows you to build, craft and collect resources throughout the day. You have the freedom to design your own urban layout. However, the location of the buildings can be decisive and affect the outcome of your settlement. • SURVIVAL - When night falls, protect your village from random monsters like wolves, chupacabras, spiders and tribal enemies. • EXPLORE • A randomly generated world map awaits you to explore using ships. Discover new cities to trade with or randomly encounter loot. • PERSONAL PROGRESS • Each villager is unique. Each has stats like strength, agility, intelligence, and personalized skills and attributes. • CHARACTER PROGRESSION • You can level up and level up each villager as you wish, like in most RPG games. In addition, players have the option to craft weapons and armor and equip their units with them. As the sequel to the award-winning The Bonfire: Forsaken Lands, The Bonfire: Uncharted Shores expands on all aspects of the original and brings greater depth. Develop your city, manage resource chains and workers with unique personalities, explore procedurally generated world maps on ships, trade without cities and explore mysterious dungeons. Build a mighty city and obtain magical artifacts to defeat an ancient evil. Support: Having problems? Email us at support@playplayfun.com.
