It's an amazing cliffhanger! I have listened to all the land of stories books and they are all just so awesome. I could write much more about this (In a good way) I love this whole series! I'm 35 years old, and I'm hooked on these books! I think they are good for all ages. This book was fun and lively the whole time! I would recommend this book to people who love fairytales and mysterious adventures! i loved it ! and I hate to finish this amazing book of fairy tails!!! each book is a masterpiece. anyone who loves fairytale and fantasy should love this books Aside from the random cuss word (come on, Chris, these books are for kids), all of the Land of Stories books are awesome. We listen to them when we make the 6 hour drives to see Grandparents (which is often!), and it keep my 5, 12 and 10 year old's attention. As soon as I turn it off, they are asking to turn it back on again. ♡♡♡ High five for an awesome book series that can work for a variety of ages and gender! This audiobook is awesome.My eleven year old daughter listens to it over and over-Even my two year old daughter loves the music.Signed,Sabrina Starr So, I just wanna say that this is definitely the BEST story series I have ever seen. This has definitely changed the way I look at the characters, in school we are currently learning about fairy-tales and she mentioned Goldy Locks and I pictured a tall girl, with jack, a sword strapped to her side, and a menacing look. If you like fairy tales, I suggest you listen to this book. It is the most amazing, wonderful, detailed, and funny stories ever. Warning to younger viewers: the word dēmn is used a few times throughout the series I love all of his books!! I think the world needs to know that they exist anybody who is a fairytale fan will love these books!! We loved listening to all of these books! So sad that there is only one book left to listen to. When are the movies coming out?..... Amazing the way Conner goes around getting characters as if it's as easy as pouring a bowl of cereal Chris Colfer seems to have no end of exciting story lines. This is a brilliant book! loved it. recommend to anyone who loves fairy tales. great modern take on fairy tales. I thought this book is really good because Cris Colfer puts story tales into one world and it is wonderful all the detail he puts in so we can see what is happening, what the characters look like and the places they are at. Cris Colfer reads the book in so much expression it sounds like there are different people for each person. I love The Land of Stories and can't wait until the next one comes out on Audible. Amazing book. Full of expression and adventure. Hard to pause. Plot twist mania. Just amazing I don't know how Chris Colfer makes these books, they are brilliant, he is probably the best kids author ever plus he is also a great actor. How cool is this guy?! Amazing book 10/10 5 stars sorry if i got eighted it's justice like the book and dont want to spoil it so just get it its a good book Skip to content Home / Best Books for : Middle Years Fiction Ages 8- 11yrs The 5th book in the No.1 New York Times bestselling series by Chris ColferIn the highly anticipated continuation of the Land of Stories series, Conner learns that the only place to fight the Masked Man's literary army is inside his own short stories!
