All of me piano sheet music free printable

Free sheet music download for John Legend's song "All Of Me" in Ab Major, suitable for piano and vocal with chords. The sheet music is 10 pages long and includes lyrics. "All Of Me" is a popular song from John Legend's album Love in the Future (2013). A user named "The Transcriber" has uploaded a sheet music score for John Legend's song "All of Me" to the online platform Musescore. The score, which is available for download and free to use, features a solo piano arrangement with 5 pages of notation and measures. It has been rated 4.71 out of 5 stars by users and has been viewed over 170,000 times. The song's instrumentation is categorized as "Piano" and its complexity level is medium. The page lists 24 music sets and groups on Musicians' platform. Each set contains songs categorized by genre or theme, such as pop, jazz, and movie soundtracks. The most popular sets have between 17 to 108 songs each. There are also several video game-related hubs with a significant number of users. In the comments section, two users discuss their scores, one praising a composition and the other referencing a song title. Here's a more detailed summary: **Music Sets:** 24 music sets listed on the page * Each set contains songs categorized by genre or theme (e.g., pop, jazz, movie soundtracks) * The number of songs in each set ranges from 7 to 108 **Video Game Hubs:** Several video game-related hubs with a significant number of users * These hubs include Minecraft and Super Mario, among others **Comments:** Two users discuss their scores in the comments section * One user praises a composition as "well composed" * The other user references a song title ("A-a-ll of me.") A conversation on the Musescore platform, involving multiple users, appears to be centered around a musical composition. The thread includes comments from "ezhu959", "agnkorzeniews", and "arjun.k1@otlook.com". "ezhu959" expresses affection towards all users, using repeated "a-a-ll" in their comment. Later, "agnkorzeniews" makes a comment that references physical attributes, mentioning "curves and edges". Another user, "arjun.k1@otlook.com", simply leaves an "Amazing" comment. The conversation seems to be part of a larger discussion with 115 comments in total, viewed by over 172,000 users, and favorited by more than 7,000. The score itself has no composer attributed to it, and its license status is listed as "None (All rights reserved)". The provided text seems to be a JSON object containing information about a music score. It includes details such as the title, subtitle, description, and download links for various formats like PDF, MP4-sheet, and more. The data also mentions that over 500,000 tutorials are available for free on Musescore, along with information about the original sheet music creator and their YouTube channel. The score is attributed to a user named min jiyoon who arranged BTS's "Heartbeat" from the World OST, which can be found in piano tutorial form along with sheet music. The description also includes links to support the arranger on YouTube and Musescore. **Ad Settings:** Ad codes: `ad cs 12219747 300 250` and `ad cs 12219747 728 90` * DFP code: `MS ATF 300` and `MS ATF 728` * Placement ID: `12206052` * Platform: desktop, mobile * Ad formats: banner (300x250, 400x250) and leaderboard (728x90) **Bidder Information:** Bidder IDs: + AppNexus + OpenX + Pubmatic + Rubicon + Adform + Amazon + Onemobile + IX + TTD + Shemedia * Account IDs and site IDs for each bidder **Pricing Information:** Price granularity: + Precision: 2 decimal places + Min price: \$0.00 + Max price: \$50.00 + Increment: \$0.01, \$0.02, \$0.05, \$0.10, \$0.20, or \$0.50 depending on the precision level **Other Settings:** Ad refresh settings: + Enabled: true + Limit: 20 ads + Max visible time: 1000 ms + Delay: 30 seconds + Deferment: 0% * GDPR availability: yes * Dynamic load: enabled * Tap-to-show ad display: disabled
