FYI, it's the largest city along the Rhine River and its green spaces account for over a quarter of the city! Take your time to stretch your legs in Cologne, because the journey to Poland will take a minimum of 10 hours. Unlike plane rides, train journeys grace us with spellbinding views of lofty mountains, sprawling fields, flowing rivers, and ever-changing daylight. I've only gone on such train rides a few times in my life, but I can attest that the scenery I witnessed in that short amount of time made me want to experience more eye-opening train routes. It's pretty historic too — it was built in Moscow between 1891 to 1916 on the behest of government ministers who were appointed by Tsar Alexander III himself. But since this is about Portugal to Singapore by land and ideally a "no hops off for overnight stays" land journey, the fastest option is still the luxury train that heads straight to Singapore from Bangkok. But keep in mind, this entails catching five different trains. Once you get to Hanoi Station, book a ticket to Ho Chi Minh Station. Portugal to Singapore by land will entail extensive hours on the train, the longest on this journey being six days, plus long layovers. As much as it's tempting to go shopping in places like Siam Paragon and Chatuchak Market once you arrive in Bangkok, the last leg of this land journey is finally next! (But hey, don't let us stop you from spending a few days in the Land of Smiles before proceeding to the Little Red Dot.) Bangkok, Thailand to Singapore There are two ways to get to Singapore from Bangkok: take a train to Malaysia and from there, take more trains going to Singapore, or ride the Eastern & Oriental Express that cuts across Malaysia to head straight to Singapore. Buses offer sleeper transport while minivans travel much faster, so decide which one suits your preference better. If you find yourself in Moscow in between these days, then you're free to go on day tours! (Assuming you've secured a visa if needed.)
