Showing 1-16 of 6653 results Showing 1-16 of 382 results In a sub-tropical country like Pakistan, temperature is always expected to be high. Beat the scorching heat this summer by buying Air conditioners at the most reasonable prices. For our customers, our wide ranging INVENTORY of air conditioners consists of only the branded ACs from the top-notch producers in the world. Trusted brands such as Toshiba, LG, Orient, Hitachi, Mitsubishi, Daikin and many other honorable brands are members of our online air conditioners. At HomeAppliances.pk, you can find the following types of air conditioners on sale Air Coolers: These Air Coolers are compact in size, nonetheless, are brilliant when it comes to chilling the environment. Air coolers are relatively low in cost and occupy minimal space. Portable Air Conditioners: Portable Air Conditioners are the movable ACs that consist of hose pipes that can dispense water through almost any open window. They are small in their sizes, though, are brilliant for cooling a single room. Split Air Conditioners: Split ACs are the orthodox ACs that nowadays are being used in most of the households. These ACs are relatively low in cost and magnificent in cooling the atmosphere. Long story short, these ACs are a perfect combination of price and performance. Floor Standing Air Conditioners: Floor Standing Air Conditioners, as the name suggests, stand on the ground and are not mounted on walls. These ACs have a modish appearance, are easily movable and provide splendid cooling throughout the room they are fitted in. Inverter Air Conditioners: Inverter ACs are rather expensive, however, the savings that these ACs provide during their lifetime makes them worth a purchase. Even though they take out a fair percentage of the electricity bill, yet these ACs do not compromise when it comes to cooling. Window Air Conditioners: Windows ACs are the traditional ACs that have the power of cooling the entire room within minutes. Doesn't really matter which part of the country you belong to, Karachi, Islamabad, Lahore or any other, purchase any air conditioner from HomeAppliances.pk today to get it installed and delivered to your doorstep within few days. Download the App Showing 1-16 of 139 results Download the App You may return most new, unopened items within 30 days of delivery for a full refund.
