Sentence Combining Practice Sentence Combining Practice Can your child help Sarah make her writing less repetitive? This sentence combining exercise will help your child, too! 4th grade Reading & Writing Writing Simple sentences can become compound sentences by adding a clause. In this writing worksheet, your child gets practice building and understanding simple, compound, and complex sentences. A complex sentence has an independent clause and a dependent clause. An independent clause is a complete sentence that can stand on its own. A dependent clause is not a complete sentence for it cannot stand on its own. A dependent clause is similar to an independent clause, or complete sentence, but it lacks one of the elements that would make it a complete sentence. Dependent clauses begin with subordinating conjunctions such as; after, although, as, because, before, even though, if, since, though, unless, whenever, wherever etc..
