Where can i promote my book for free

Read an article about SEORead an article about SEO (Search Engine Optimisation) and put one or two ideas into practice for your blog or website.Search engine traffic is by far the best way to attract new potential readers and book buyers, day in and day out.16. Check your book metadata (SEO for books)Check all your book metadata.This includes your book description, keywords, and categories for your book on Amazon KDP or any other online retailer you use.Can you make a few small changes to your categories or keywords that would help readers find your book more easily?Book discovery by user search on Amazon is the most powerful way to sell books.Check and change your Amazon categories and keywords to make your book more discoverable.17. In this article, you will find twenty easy and cost-effective ideas to help you extend and improve your promotion.What is book promotion?It doesn't matter if it is an expensive advertising campaign or a short post on one of your social media platforms.Your marketing aim is the same, no matter what book promotion tools you use.When you advertise a book, you are trying to encourage as many people as possible to notice and consider buying your book.But it is important to remember that it is not about finding people to contact to buy your book.Your aim is to attract people to your author's website, social media profiles, or online book retailers.When you do this, readers can learn more about you and your book.But book promotion takes time and effort.You need to be patient and persistent in your efforts.However, there are many promotional options available to self-publishing authors.With that in mind, let's look at how you can promote a book for free, or at least for as little cost as possible.20 Ten-Minute (Mostly Free) Ways To Promote Your BookHow to market your books? Is your book in KDP Select?If your book is not enrolled in KDP Select, why not try it for three months?See if you can attract Kindle Unlimited readers.Or, if you have been in KDP Select for quite some time, perhaps try open-publishing for a while.18. Place an ad on your blogFind three of your best-performing blog articles and place your book cover image as a text-wrapped image ad.You can insert a link to Amazon, or you can use a universal link to all your book retailers.It doesn't need to be a big image. Is your book cover eye-catching?Now, be brutally honest with yourself, or better still, ask people what they think.If you don't have a top-quality book cover, take a few minutes to search for a reputable book cover designer and hire one.Also, check how your cover looks in thumbnail size.It is the first impression of your book that potential buyers will see, so it has to be fantastic.If you are on a budget, you can create a free ebook cover.The free version of Canva has a lot of free ebook cover templates to help you design a better ebook cover.Another option is to create free 3D book covers.It only takes a minute to do it.14. Run an adYou can quickly set up and run ads on Facebook or Amazon.Okay, it's not a free book promotion, but running ads for a short while is relatively inexpensive.But with either, be prudent and stay well within your budget.10. Think of it like this.Attracting social media followers is all about finding people, connecting, and then communicating.It's a slow and time-consuming process.Online marketing or promoting your book is about getting your book out to the world.You want to do it in as many ways as possible, to attract the attention of as many people as possible.The more eyes you can attract to your book, the better your chances are of making book sales.For indie publishers, the different ways you use to do this should be both time and cost-effective.Ideally, they should also have a long-lasting effect.Easy ways to promote a book in only a few minutesWith these goals in mind, here are 20 book marketing tips to help your book sales after publishing your book.Each idea will only take around ten minutes for you to complete.But unlike a quick social media post that is lost after an hour, each has an element of long-term promotion.For most of them, once you complete it, you will have a long-lasting book promotion link.You don't need to use all of these ideas in one day, but taking a few minutes each day to do one or two will help you improve your book promotion.1. Re-post one of your 5-star book reviewsYou can add one of your book reviews on Facebook and Twitter (X) along with your book cover image.Then, pin it to the top of your feed so every visitor sees it—for weeks or months.To get the link to your review on Amazon, go to the review on your book page and click the permalink button.Then copy the address from your browser and use it anywhere you like.2. Open a Pinterest accountPinterest helps you to gain image search traffic to your website or blog.It's an ideal social network for book covers because it works by attracting interest purely from images.Here is a quick screenshot of my Pinterest referral traffic from my Google Analytics account.You can see how it can deliver a steady stream of new visitors to your blog.3. Add a comment on a popular book blogLook for articles on three high-traffic book blogs and post a comment.It's an easy way to highlight your book for free to a targeted audience of book lovers.You'd be surprised how many people click on comment links, which can lead readers to your profile, email address, author website, or blog.It's a bit like a book tour, but it is much easier and quicker for you.Tip! Make sure you have a Gravatar image that will appear next to all your online comments.4. Add a comment to a newspaper articleLook for a major online newspaper lifestyle article that accepts comments.But make sure it is a non-topical article. For authors, learning how to promote your book for free or as cheaply as possible is one of the most challenging tasks in self-publishing.But promoting your book doesn't need to take hours and hours of your time every day or break the bank.Let's do a recap and define how to market a book. Change your book pricesIs your book too expensive, or even perhaps too cheap?Should you offer a discounted book?Try changing your book price for a few weeks.19. Guest postContact bloggers and ask if you can write an article for them.Many sites have a Write For Us or guest posting page.Keep your eyes open for opportunities to promote your writing to a much wider audience.Tip! In fact, some writers don't even bother with having their own blogs.Articles published on popular sites can often bring you far more traffic, readers, and, importantly, social shares.12. Buy affordable book promotionBook discovery is vital for all authors, from book launches to promoting backlist book titles.Authors need readers to develop a fan base, but connecting on social media takes time.That's where a little extra book promotion can help.There are many book promotion sites offering different types of book promotion services.But you should stay within your budget and select the right service for your needs.15. But it's a task that you have to do.If it has been a while since your book launch, perhaps you should recheck and improve your book trailer, too.6. Publish to MediumThis is one of the easiest ways to extend your book promotion for free.Open an account on Medium and re-publish your best-performing blog posts or short stories.It's a very easy process to import articles from your blog.Medium can help you gain a lot of new readers.Remember to put a link at the end of the article to your author's website or blog.7. Do you have a Facebook Page?If not, create one.Your personal Facebook profile page is for your friends and family and not for business.You can invest a little money in Facebook Ads to get Likes for your page.The average cost per click is about 8 to 15 cents per Like, which is cheap advertising.It is a wise long-term investment to get people to read your book because Facebook users rarely, unlike a page.8. Open a short URL accountYou have a choice of URL shorteners you can use to shorten all your commonly used book links.They will look far more attractive when you post them on social media or add links to your blog posts or comments.Tip! You can sometimes edit these short links to include your book title or author name.With bit.ly, for example, you can change this very ugly book link: "sr 1 167e=UTF8&id=1499424937&sr=8-16&keywords=one+last+love" to this attractive and meaningful link: "◆◆Which one do you think will work better and attract more clicks?9. Does it need refreshing to be more appealing to readers? Check our related page below Related Reading: 17 Book Marketing Ideas You Can Do In Under 90 Minutes. Simply put, book marketing is about getting your book noticed.Promoting your book is an ongoing process. Avoid politics.Once again, your profile link as a published author will be valuable in gaining some traffic to your blog and books.5. Check your author bio againCarefully read your author bio or profile on social media sites and online bookstores.Has it remained the same for a very long time? Size it to suit your article.Where better to advertise for free than on your site?It is also a great way to attract attention to your book if it is on Kindle pre-order.11. Create your Amazon author pageEvery bestselling author has one.If you haven't done so, create your author page on Amazon Author Central.When you set it up, you can add your blog feed, change and improve the look of your book descriptions, add editorial reviews, and much more.Yes, you can add your book's editorial reviews to your Amazon book sales page, and they will not be deleted.An Amazon Central author page is a must-have promotion tool.Tip! You can create your author pages on Amazon US, Amazon UK, and Amazon Germany.Bonus Tip - Update your email signatureIf you use email a lot or have a mailing list, this is as close to word-of-mouth advertising as you can get.You can add your blog, Amazon Author page, or even a thumbnail of your book cover to your email signature.Your daily emails will then be automatic and ongoing book advertising for you.Extra Bonus Tip - Start promoting your next book nowThis one is not a ten-minute tip.But start working on letting people know well before your next book is published or even before you write it.It's never too early to tell people about your books, and it will be a great source of new material for your blog.Do you want more book marketing ideas and ways to promote your book for free? Free ebook promotionOffering free ebooks is a bit of a lottery.But hopefully, someone will read your free Kindle books and be kind enough to post a review.Online book clubs often choose free ebooks, so it's worth a try.Regarding this point, I discovered I had a new book review recently.I think it came from a free Kindle copy of an ebook I last offered for free over a year ago.Now that really is long-term free promotion.If you have a WordPress blog, you can also offer a free ebook download for your readers.13. For authors, learning how to promote your book for free or as cheaply as possible is one of the most challenging tasks in self-publishing.But promoting your book doesn't need to take hours and hours of your time every day or break the bank.Let's do a recap and define how to market a book. Any action you can take to bring your book to the notice of potential readers is of high value. Can you improve it?I am sure you can.Authors hate writing bios and would much prefer to write a book instead. Use the Amazon book widgetAdd Amazon's embedded book widget to your website or blog.It looks fantastic and gives visitors a chance to read a preview of your book and buy it directly on your site.It is one of the best widgets to help you sell books.20.
