

at

Definition of 'at'

The preposition 'at' is used to indicate a specific location or point in time. It is a versatile word that can be used in various contexts to specify where an action is taking place or when it is happening.

Using 'at' for Locations

One of the most common uses of 'at' is to specify a particular location. For example, we use 'at' to indicate where someone is located physically, such as "I am at the park" or "She is at the store". Additionally, 'at' is used with specific landmarks or places, like "at the library" or "at the cinema".

Using 'at' for Times

Another important use of 'at' is to specify a point in time. We use 'at' with specific times on the clock, such as "at 3 o'clock" or "at midnight". Similarly, 'at' is used with specific days or dates, like "at Christmas" or "at the meeting on Monday".

Other Uses of 'at'

In addition to specifying locations and times, 'at' can also be used in other contexts. For example, 'at' is used with certain verbs to indicate the target of an action, such as "laugh at" or "look at". Furthermore, 'at' is used in expressions like "at first" or "at least" to convey a specific meaning.

Conclusion

Overall, the preposition 'at' is a crucial element of English grammar that helps to clarify the specific location or point in time of an action. By understanding how to use 'at' correctly in various contexts, English learners can improve their language skills and communicate more effectively.
