

I'm not a bot

\$5.99 A fun and engaging musical piece from Matilda the Musical, this song is about children's imagination of what they'll be able to do when grown up. With a catchy beat and balance between lightheartedness and solemnity, it makes for a great standalone solo piece or accompaniment. This intermediate piano arrangement is written in the style of the original but simplified for early to mid-level pianists. It includes chord symbols and can be performed as either a solo or vocal accompaniment. Matilda The Musical's "When I Grow Up" sheet music is now available for piano solo. This digital score includes features like transposition and printing capabilities. Additionally, users can ask up to 100 in-context questions daily using our AI Music Assistant. The song's lyrics reflect the aspirations of growing up, with themes of physical strength, intelligence, indulgence, bravery, and a sense of justice. The musical, written by Roald Dahl, highlights the importance of individuality and not accepting things as they are. The provided sheet music is compatible with various formats, including digital sheet music and piano scores. Bonnie Raitt's "I Can't Make You Love Me" and other popular songs are featured in the Singer Pro catalog. The collection also includes hits like Pink's "A Million Dreams," which was part of Matilda: The Musical. Other notable tracks include Miley Cyrus's "The Climb," Olivia Rodrigo's song with a vampire theme, Annie's "Maybe" and "Tomorrow," and musical numbers from Hometown and The Addams Family.
