Listening Test 5

MAN: It's Peter Chin.
 WOMAN: Okay Peter. Well, if you want to ask about the job and then if we're both still interested, we could arrange for you to come for an interview.
 MAN: Great, thanks. I'm afraid I missed the advert for the job but heard about it from a friend.
 WOMAN: That's no problem at all. What would you like to know?
 MAN: Well, um, what sort of work is it - washing up?
 WOMAN: It's answering the phone. Q1
 MAN: Oh right, fine.
 WOMAN: And not waiting at table.
 MAN: That'd be good. And how many nights a week would it be?
 WOMAN: Well, we're really only busy at the weekend.
 MAN: So two nights?
 WOMAN: Three actually, so it would work out at twelve hours a week.
 MAN: That'd be fine. It wouldn't interfere with my studies.
 WOMAN: Are you at the university?
 MAN: Yes. First year Physics student.
 WOMAN: Oh, right.
 MAN: Um, and because I'm not an EU national would I need a work permit?
 WOMAN: Yes you would. Just get your tutor to sign it.
 MAN: That wouldn't be a problem, if I were to get the job. Um, where exactly is the restaurant?
 WOMAN: Well, we have two branches - the one we're recruiting for is in Hillsdunne Q2 Road.
 MAN: I don't know that. How do you spell it please?
 WOMAN: It's H-I-double L-S-D-U-double N-E Road.
 MAN: Got that. Thanks. Is it near a bus stop?

On Monday you can learn about herbs, and how they've been used over the centuries. Sau đó bạn nghe "It's the type of culture that needs a central source of power to be effective" >> Đó là kiểu văn hóa cần nguồn sức mạnh trung tâm để hoạt động hiệu quả >> Từ cần điển là "central" Xem full giải thích conversation/conversations description/descriptions Ban có thể tải bản đẹp của đề và đáp án CAM9 - Listening Test 2 tại đây The park is only open during daylight hours, so bear that in mind if you decide to go there. Longfield Park has a programme of activities throughout the year, and to give you a sample, this is what's happening in the next few days. Usually top management delegates the projects, the people and other resources. And once these have been allocated, little day-to-day control is exercised from the top, because this would seem like breaking the rules. Now one of the major benefits of this culture is that it's flexible. Khi bạn bắt đầu nghe nhắc đến "Power Culture" và tiếp đó là ý đầu tiên của "characteristics" it's usually found in small organisations" là biết đáp án chuẩn bị vào. But it does have some major disadvantages too. There's an information board about the plants and animals you can see here, and by the way, the common is accessible 24 hours a day. Then there's Holt Island, which is noted for its great range of trees. As you can see, there's a lake in the north west of the park, with a bird hide to the west of it, at the end of a path. These organisations usually have separate departments that specialise in things like finance, or sales, or maintenance, or whatever. Each one is co-ordinated at the top by a small group of senior managers, and typically everyone's job is controlled by sets of rules and procedures - for example, there are specific job descriptions, rules for discipline, and so on. What are the benefits of this kind of culture? What kind of person does this type of culture suit? One thing, though, is to make sure you're wearing something that you don't mind getting dirty or torn. And finally I'd like to tell you about our new wildlife area, Hinchbrook Park, which will be opened to the public next month. This slide doesn't really indicate how big it is, but anyway, you can see the two gates into the park, and the main paths. For instance, it can't produce economies of scale or great depth of expertise. Longfield has a modern replica of a farm from over two thousand years ago. In other words it can achieve economies of scale. And the kind of person who does well in this type of business culture is one who is happy to take risks, and for whom job security is a low priority. The next type is known as Role Culture - that's R-O-L-E, not R-O-double L, by the way, and this type is usually found in large companies, which have lots of different levels in them. And if you just want to sit and relax, you can go to the flower garden; that's the circular area on the map surrounded by paths. And finally, there's a wooded area in the western section of the park, between two paths. Well firstly, because it's found in large organisations, its fixed costs, or overheads as they're known, are low in relation to its output, or what it produces. In the past willows were grown here commercially for basket-making, and this ancient craft has recently been reintroduced. Bạn sẽ nghe được "from the students' point of view, we would like to keep it" là biết đáp án chuẩn bị vào Sau đó bạn nghe được li do luôn "because it provides a variation on the classroom routine and they see it as a pretty major component of their course" >> Bởi vì nó cung cấp một sự thay đổi về thói quen trong lớp học và họ xem nó như một thành phần chính trong khóa học của họ >> Chọn C Bạn sẽ loại A khi nghe tiếp và thấy "we would like to see some improvements to the equipment" Xem full giải thích Characteristics of organization: small power source Few rules and procedures Communication by might not act suitable employee: not afraid of does not need job security Characteristic of organization: rules and procedures e.g. job and rules for disciplines successful when ability is important slow to see when is needed Characteristic of organization: in competitive market or making product with short life lot of delegation Disadvantages: no economies of scale or special expertise Suitable employee: Good morning everyone. Children's activities are often arranged there, like bread-making and face-painting. Now one of the benefits of this culture is that the organisation has the ability to act quickly, so it responds well to threat, or danger on the one hand, and opportunity on the other. But on the negative side, this type of organisation doesn't always act effectively, because it depends too much on one or two people at the top, and when these people make poor decisions there's no-one else who can influence them. Example Type of accommodation: Number of years planned in hall: Preferred catering arrangement: Priorities in choice of hall: To be with other students who are - To live outside the - To have a area for socializing Xác định từ cần điển là danh từ riêng chỉ tên họ của Anu Khi bạn nghe hỏi "So first of all, can I take your name?" là biết đáp án chuẩn bị vào. The rangers will be hard at work all day, but do come and join in, even for just a short while. There's a small charge, which you should pay when you turn up. I'm sure you're all keen to help with the practical task of looking after the park, so on Saturday you can join a working party. I'll start by telling you about some of the parks and open spaces nearby. One very pleasant place is Halland Common. This has been public land for hundreds of years, and what you'll find interesting is that the River Ouse, which flows into the sea eighty kilometres away, has its source in the common. So it'll be a nice quiet place for watching the birds on the lake. Fairly close to where refreshments are available, there's a dog-walking area in the southern part of the park, leading off from the path. And secondly, it is particularly successful in business markets where technical expertise is important. On the other hand, this culture is often very slow to recognise the need for change, and even slower to react. People who like working in groups or teams refer this type of culture. And finally, the fourth category is called the Person Culture... Xác định từ cần điển là adj bổ nghĩa cho "power source" chỉ đặc điểm của tổ chức. For the activity on Wednesday, only group bookings are accepted. Visitors should book in advance. For the activity on Saturday, visitors should come in suitable clothing, make sure they are able to stay for the whole day, tell the rangers before the event what they wish to do. Hello, I'm delighted to welcome you to our Wildlife Club, and very pleased that you're interested in the countryside and the plants and creatures of this area. I think you'll be surprised at the variety we have here, even though we're not far from London. You'll start with a tour of our herb garden, practise the technique of using them as colour dyes for cloth, and listen to an illustrated talk about their use in cooking and medicine. Then on Wednesday you can join local experts to discover the variety of insects and birds that appear in the evening. Okay, that's enough from me, so let's go on to... Xác định từ cần điển là noun số nhiều đếm được chỉ cái gì đó được quan tâm đặc biệt ở Holt Island Khi bạn nghe thấy keyword "Holt Island" là biết đáp án chuẩn bị vào Sau đó nghe "Then there's Holt Island, which is noted for its great range of trees." >> Được nói tiếng với nhiều loại cây xanh >> a great range of = many different >> Từ cần điển là "trees" Xem full giải thích Students want to keep the Self-Access Centre because they enjoy the variety of equipment they like being able to work on their own is an important part of their studies Some teachers would prefer to close the Self-Access Centre move the Self-Access Centre elsewhere restrict access to the Self-Access Centre The students' main concern about using the library would be difficulty in getting help The Director of Studies is concerned about the cost of upgrading the centre the lack of space in the centre the difficulty in supervising the centre Replace computers to create more space The level of the materials, in particular, should be more clearly shown. Update the collection. Buy some and divide them up. Speak to the teachers and organize a for supervising the centre. Install an Restrict personal use of computers. Câu hỏi là về li do "Student want to keep the Self-Access Centre". Well it suits employees who value security, and who don't particularly want to have responsibility. Moving on now to Task Cultures - this type is found in organisations that are project-oriented. It's the type of culture that needs a central source of power to be effective, and because control is in the hands of just one or two people there aren't many rules or procedures. Another characteristic is that communication usually takes the form of conversations rather than, say, formal meetings or written memos. And we often refer to these social characteristics as the culture of the organisation - this includes its unwritten ideas, beliefs, values and things like that. Now whether you're going to university to study business or some other subject, many of you will eventually end up working for a company of some kind. Now, when you first start working somewhere you will realise that the organisation you've joined has certain characteristics. You usually find it where the market for the company's product is extremely competitive, or where the products themselves have a short life-span. The island is only open to the public from Friday to Sunday, because it's quite small, and if there were people around every day, much of the wildlife would keep away. From there it's just a short walk across the bridge to Longfield Country Park. One well known writer has classified company cultures by identifying four major types. The first type is called the Power Culture, and it's usually found in small organisations. You'll have a choice of all sorts of activities, from planting hedges to picking up litter, so you'll be able to change from one to another when you feel like it. We keep to a small number of people in the group, so if you want to go you'll need to phone the park ranger a few days ahead.
