Justine, who was raised a strict vegetarian, arrives as a serial number for a famous vet school extravaganza. As he leaves the family home, Justine is suddenly thrust into the new world of mad school traditions and nasty tests, and he soon has to come to terms with his unshakable, weedy beliefs. Yet Justine descends deeper and deeper into a hidden world where uncharted animal tendencies, an unprecedented and equally morbid craving for flesh will transform her into an entirely different being, but now that her physical awakening is finally complete?
